FRESH DYE INK

Color Swatches

Introducing Altenew's innovative round ink pads! The high viscosity dye inks (slightly different from our existing dye ink) are rich and vibrant and will stamp perfectly alongside others in your collection. The modern and minimalist round ink cases feature a felt pad and were custom-designed with the user in mind. All it takes is a simple twist to open the lid and you'll be ready for your next crafty project!

WATER-BASED | HIGHLY SATURATED | UNIFORM COVERAGE

Use & Care

- Try to keep your ink pads and ink refills in a cool, dry place and out of direct sunlight, as this may change the intended color.
- Always replace the lid after stamping to keep the ink from drying out.
- Reinkers are readily available for many inks. These can be used to re-ink a dry ink pad, and so, greatly lengthen the ink pad's life.
- Altenew inks are less likely to dry if stored properly.
